

Accessory Locker

DESCRIPTION

Extreme protection in any environment. Our stainless steel and aluminum Asset Locker features non-corrosive materials, fewer pry points and secure locking mechanisms making this model the perfect choice for outdoor environments, swimming pools, ski resorts and amusement parks. Coin- or token-operated featuring our proprietary keyed locks with 16 million, non-duplicative key code combinations means more money for you and easier access for your guests.

APPLICATIONS AND USES: RENTAL • ASSET MANAGEMENT
